SUPPORT FOR EASTERN EUROPEAN CHURCHES

In 2019, we are continuing with the following programs for Eastern Europe:

- ◆ Transportation Assistance
- ◆ Medical Aid
- ◆ Hungarian Aid
- ◆ Indjija Assisted Living Home operation
- ◆ Education/Bursaries

Currently, ‘Medical Aid’ has seen the greatest increase in expenses. This program assists individuals with their out-of-pocket medical expenses, including medications, hygiene products, and medical procedures that they cannot afford.

In other areas of Serbia, we have thankfully seen an increased need for ‘Transportation Assistance,’ as more ministerial visitations are being requested. The European Projects Committee is also in the process of looking for additional ways to assist our Brethren in the effort to spread God’s Word.

The Indjija Assisted Living Home also requires continuous support, both financially and in prayer. They are fulfilling an important role in caring for our elderly Sisters in Christ.

Please earmark your donations to the “European Projects Committee” and one of the charities listed above, or to the “European Projects Committee General Fund”.

Once a particular need is met, funds will be used on a ‘where needed most’ basis.
