

NEPO Work Team Summer 2019

We are planning to send a work team to Brazil this summer to replace a roof on one of the buildings. The current roof is 50 years old and needs to be updated. This is a good opportunity to help those that are less privileged than most of us while experiencing another culture.

The trip is tentatively planned for August 2019. Meals and overnight accommodations are looked after by the orphanage. Travel costs are anticipated to be between \$1500 and \$2000 for airfare and related expenses.

Please consider donating funds for these projects if you are not able to be part of a work team.

Please fill out a work team application found on the ACCMBC website under foreign work teams as soon as possible if you are interested and email it to rick.tomic@accmbc.org
